

CERTIFICATE

DR. VODDER SCHOOL

OF
MANUAL LYMPH DRAINAGE AND
COMBINED DECONGESTIVE THERAPY

Rebecca Summers

has completed a four week seminar (160 hours)
in the Dr. Vodder Method of
MANUAL LYMPH DRAINAGE
and
COMBINED DECONGESTIVE THERAPY

This participant has successfully completed the examination indicating the ability to apply Manual Lymph Drainage (MLD), Combined Decongestive Therapy (CDT) and Compression Bandaging as therapeutic modalities. This participant has proven knowledge of indications and contraindications, and the comprehension of anatomy, physiology and pathophysiology required for therapy with MLD and CDT.

The Dr. Vodder School recognizes this participant as certified to apply MLD and CDT within the professional practice acts in his/her country. This certificate does not entitle the participant to teach MLD/CDT.

Biennial recertification is required by the Dr. Vodder Schools Austria and North America.
